WESTBOUND AND EASTBOUND STATE ROUTE 198 NIGHT CLOSURE AT 14TH AVENUE FOR BRIDGE REHABILITATION PROJECT

The California Department of Transportation (Caltrans) in cooperation with Granite Construction Inc. announces a scheduled night closure on Eastbound State Route 198 at 14th Avenue as part of a bridge rehabilitation project in Hanford within Kings County.

The following night closure is scheduled for Friday, November 21, 2014:

FULL FREEWAY CLOSURE on Friday night, November 21, 2014; Westbound and Eastbound State Route 198 will be closed at 14th Avenue from 12:00 a.m. midnight through 4:00 a.m. Saturday morning.

During this closure, Westbound and Eastbound State Route 198 will be closed at 14th Avenue while crews are working. Traffic in both directions will be detoured off of State Route 198 at the 14th Avenue exit, then back onto 198 utilizing the on ramps at 14th Avenue.

Flagging personnel will be on site to help direct traffic through the work zone. Commuters are reminded to obey flagging personnel and pay close attention to road construction vehicles and personnel.

Motorists may experience delays and are encouraged to take alternate routes whenever possible. Closures may continue for longer periods of time each night if necessary, due to delays caused by weather or uncontrollable events that may occur during construction.

Caltrans would like to thank the residents, businesses and commuters for their patience during this enhancement project. The public is asked to drive with extra care while traveling through the construction area and please
